

UGC CHALLENGE DECLARATION (ADULT PARTICIPANTS)

I hereby declare that I have read the terms and conditions and I confirm that:

- I am the author and creator of the UGC Challenge project or projects uploaded on the website <https://playenergy.enel.com> (hereinafter “the Website”) for participation in the PlayEnergy 2021 contest (hereinafter “the Contest”);
- if the projects have been conceived together with other team members, they too must be considered authors and creators of the projects and, as such, they have given their express consent (if minors, through their parents/guardians) to submit the projects for the contest in question, accepting all the provisions herein;
- the projects are original, unpublished and not covered by any third party intellectual property rights and that all consents and releases for the use and dissemination of the projects have been obtained and that, therefore, the reproduction and use by Enel S. p.A., and/or companies belonging to the Enel Group, shall not entail any infringement of third party rights;
- nothing uploaded violates the law and the content of the projects is not obscene, defamatory, blasphemous, racist, vulgar, offensive or in breach of intellectual property rights, moral rights, third party personal data protection rights and, in general, complies with the provisions of Copyright Law (Law no. 633 of April 22, 1941) and subsequent amendments;
- I indemnify and hold harmless Enel S.p.A. and all the companies belonging to the Enel Group, its representatives, employees, consultants, and any of its business partners, from any disputes or claims made by third parties, for any reason whatsoever, in relation to the intellectual property rights inherent in the projects submitted for participation in the Contest;
- I authorize Enel S.p.A. and all the companies belonging to the Enel Group to use the uploaded projects for the purposes of the Contest;
- I definitively assign to Enel S.p.A, free of charge, all property rights and rights to use the projects in all communication media, both offline and online, in Italy and abroad, in the present and/or future, for promotional and publicity purposes connected with the Contest;
- I authorize Enel S.p.A. and all companies belonging to the Enel Group to use the projects uploaded for the purposes of the Contest, and should the projects be published, including on the Contest Website and on its own websites, to mention the authors of the projects by publishing their first names and city of origin after having obtained valid consent for publication from the authors themselves;
- I am aware of and have read the privacy policy provided with the Contest rules, pursuant to which the personal data provided with this document will be processed.

ACCEPTANCE DOCUMENT

UGC CHALLENGE - PARTICIPANTS UNDER 18

In my capacity as parent/guardian of the minor participant, I hereby declare that I have read the terms and conditions and I confirm that:

- my child/the child for whom I am the legal guardian is the author and creator of the UGC Challenge project or projects uploaded on the website <https://playenergy.enel.com> (hereinafter “the Website”) for participation in the PlayEnergy 2021 contest (hereinafter “the Contest”);
- if the projects have been created together with other team members, they too must be considered its authors and creators and that, as such, they have given express consent, through their parents/guardians if they are minors, to submit the projects for the contest in question, accepting all the provisions herein or that the projects are original, unpublished and not covered by any intellectual property rights of third parties and that they have obtained all consents and releases for the use and dissemination of the projects and that, therefore, the reproduction and use by Enel S. p.A., and/or companies belonging to the Enel Group, will not result in any infringement of third party rights;
- nothing that has been uploaded violates the law and the content of the projects is not obscene, defamatory, blasphemous, racist, vulgar, offensive or in violation of intellectual property rights, moral rights, third party personal data protection rights and, in general, complies with the provisions of Copyright Law (Law no. 633 of April 22, 1941) and subsequent amendments;
- I indemnify and hold harmless Enel S.p.A. and all the companies belonging to the Enel Group, its representatives, employees, consultants, and any of its business partners, from any disputes or claims made by third parties, for any reason whatsoever, in relation to the intellectual property rights inherent in the projects submitted for participation in the Contest;
- I authorize Enel S.p.A., and all the companies belonging to the Enel Group, to use the projects uploaded for the purposes of the Contest;
- I definitively assign to Enel S.p.A, free of charge, all property rights and rights to use the projects in all communication media, both offline and online, in Italy and abroad, in the present and/or future, for promotional and publicity purposes connected with the Contest;
- I authorize Enel S.p.A. and all companies belonging to the Enel Group to use the projects uploaded for the purposes of the Contest and all the companies belonging to the Enel Group, and should the projects be

published, including on the Contest Website and on their own websites, to name the authors of the projects by publishing their first names and city of origin after having obtained valid consent for publication from the authors themselves;

- I am aware of and have read the privacy policy provided with the Contest rules, pursuant to which the personal data provided with this document will be processed.
